

BMA Supply List

General

The following list of school supplies is suggested:

- Backpack
- Binders (see below)
- Highlighters (optional)
- Paper (3-hole/college rule)
- Pencils
- Pens (Blue and Black)

Required

The following courses have a required item that will need to be purchased before coming to school in the fall.

- English 1-4:** 1" – 1 1/2" three-ring binder with college ruled paper, composition notebook, small post-it notes and 3x5 index cards (white or colored), creative supplies (optional)
- Algebra 1, Geometry, Consumer Math, and Algebra 2:** will use TI-84 graphing calculator on school laptops for certain activities only. A personal scientific calculator is required for general use and on assessments. No phone or smart watch apps may be used for a calculator in class. See the course descriptions in the handbook for recommendations. **Geometry requires a compass.**
- Science (Life Science, Biology, Physical Sci., Chemistry, and A&P):** 3-ring binder that opens and closes at least 2-inch thick, calculator, composition book, and graph paper.
- Photography:** Bring your own DSLR or mirrorless camera. A compact camera will work, but we will not use a phone camera.

Computer

Every student will be issued a BMA laptop. Do not bring a computer from home.

Additional Items

You may want additional supplies (i.e., erasers, glue stick, tape, staples, ruler, scissors, etc.). BMA does not sell school supplies, so if there are items you know you will want to have, please purchase them before coming in the fall. There is a Walmart store located one mile from the school.
